

What does home mean to you?

The most important part of any home are the people that live there. In celebration of homeownership's impact on children, Reliant Federal Credit Union, WyHy Federal Credit Union, Meridian Trust Federal Credit Union, and Habitat for Humanity, The Heart of Wyoming are hosting "The Playhouse that Credit Unions Built".

Using the space below, draw what home means to you and your family.

Share your completed drawing on social media. Tag all participating organizations and be entered to win a raffle ticket for the backyard playhouse currently on display at the Eastridge Mall. All entries must be submitted before July 7, 2022.
