Donor Guide

Access to safe, affordable housing is essential to a thriving community.

Invest in Habitat for Humanity, The Heart of Wyoming's mission, and help the organization raise \$200,000, the average cost to build a Habitat for Humanity home in Natrona County. Contributors will be celebrated as 2023 Signature Event Sponsors, receiving recognition in association with the Building By You, Cookie Construction, and Nightcaps for Neighbors campaigns. Funds contributed by Signature Event Sponsors will directly support the organization's construction efforts.

To ensure all sponsorship benefits can be fulfilled, please pledge your contribution by September 27, 2023. For additional information or to pledge your support, contact Habitat for Humanity's Executive Director Tess Mittelstadt at 307.234.1348 or by email at tess@heartofwyoming.org.
